

How do the Saba Saba Students look after their school?

Look at the pictures on the presentation and tick them off in the table below when you find the description to match the picture

What the Saba Saba students are doing?	
Sweeping up the rubbish and dust	
Watering the grass	
Working in the school garden	
Beating the dust out of the rug	
Carrying water for everybody to drink	

Who does these jobs in our school?

Do all of these jobs happen in our school? Why not?

Why do you think the Saba Saba students do these jobs?

How would feel if you did these jobs?
